

GRETA

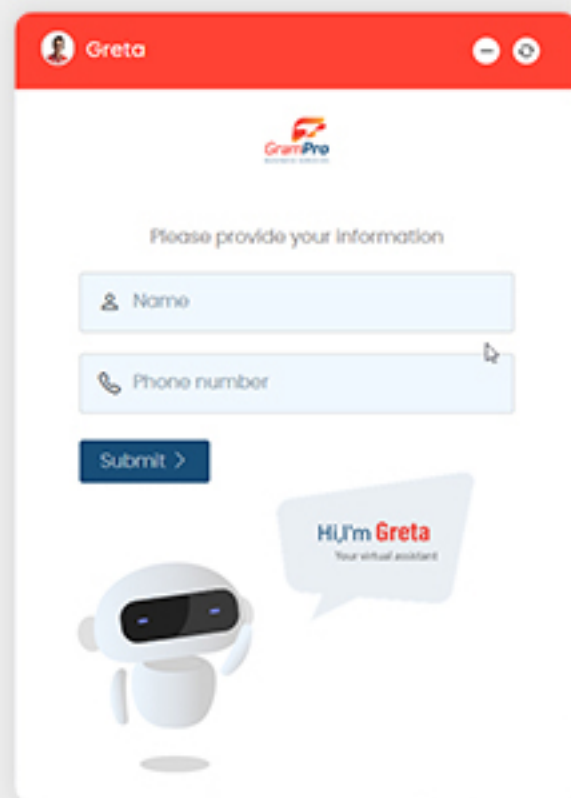

SMARTER CHATS. BETTER BUSINESS.

AI CHATBOT FOR
BUSINESS CONVERSATION

WHAT IS GRETA?

Greta is an intelligent, multilingual chatbot designed to assist, engage, and elevate user experience - all while being a powerful channel for communication.

A screenshot of the Greta chatbot interface. At the top, a red header bar contains a profile icon and the name 'Greta'. Below the header, the 'GramPro' logo is displayed. The main content area prompts the user to 'Please provide your information' and features two input fields: 'Name' and 'Phone number'. A blue 'Submit >' button is positioned below the fields. At the bottom, a 3D robot avatar is shown next to a speech bubble that reads 'Hi, I'm Greta' and 'Your virtual assistant'.

Built to work across industries and teams, Greta ensures 24x7 interaction, better lead management, and meaningful customer engagement.
